

Dear Clients,

Please be informed that:

- Within the process of MICEX and RTS integration, from December 16st, 2011 any transactions within SGC (Section of the Guaranteed Contracts) and transactions with settlements T+0 on JSC RTS will not be effected.

Please note, that delivery accounts opened with CJSC DCC (Depository Clearing Company) will remain without any changes during process of reorganization.

- The following changes will come into force from December 19th, 2011 within the process of MICEX and RTS integration:
 1. Trading section of OJSC RTS with settlement mode T+4 (RTS Standard) shall be transferred to the CJSC "Stock Exchange MICEX" and shall be renamed to the division "Market Section Standard";
 2. Trading section RTS Classica (identified transactions) of OJSC RTS shall be transferred to the CJSC "Stock Exchange MICEX" and shall be renamed to the division "Market Section Classica";
 3. Futures and options market RTS (FORTS) shall be transferred to the CJSC " MICEX" (and its legal successor) and shall be renamed to the division "Derivatives market FORTS";
 4. Trading section Stock market CJSC "Stock Exchange MICEX" shall be renamed to market section "General market CJSC "Stock Exchange MICEX""

Mentioned changes will not affect BCS Clients, except for changing of execution venue, all accounts, tariff plans, opened positions, clearing procedures shall remain the same and shall be transferred in full.

Any additional information on the mentioned process may be found at:
